

**GREEN VALLEY WATER DISTRICT**  
**3200 S. Camino Del Sol**  
**Green Valley, Arizona 85622**  
**(520) 625-9112**

*Welcome to the Community of Green Valley.* This application will acquaint you with **Green Valley Water District's** rate schedule. After completing the "Application for Water Service" service will be started on the effective date indicated. It is mandatory that you complete the "Application for Water Service" at this time; however, it must be understood that service will be disconnected and turned off after inspection if service is refused. If you decide not to start service at this time it will be your responsibility to contact us to initiate service when you require water to be turned on at your property.

Green Valley Water District reads meters once a month and bills are mailed immediately thereafter. The following is the schedule of charges:

|                    |                                                                             |                         |  |
|--------------------|-----------------------------------------------------------------------------|-------------------------|--|
| Establishment Fee: | \$25.00 applicable to all customers ( <b><i>Applied to first bill</i></b> ) |                         |  |
| Monthly Minimum:   | 5/8" & 3/4" meter:                                                          | \$31.79                 |  |
|                    | 1" meter:                                                                   | \$35.54                 |  |
| Rate:              | 1 – 2,000 gallons per month                                                 | \$2.14 per 1000 gallons |  |
|                    | 2,001 – 5,000 gallons per month                                             | \$2.76 per 1000 gallons |  |
|                    | 5,001 – 8,000 gallons per month                                             | \$3.99 per 1000 gallons |  |
|                    | 8,001 – or more gallons per month                                           | \$5.21 per 1000 gallons |  |
